

GSV Podcast and Discussion

It is my turn to choose a 'podcast'. My dilemma about what topic to choose amongst a possible 173, was solved when I was in GSV on Saturday. I asked for recommendations and the result is

"Behind their service records: genealogical source and Australia's WW1 nurses." Presented by Janet Scarfe.

So you do not need to journey into Collins St Melbourne to enjoy GSV's most recent presentation. Just come to our rooms for viewing, discussion, and a cuppa.

Date: Wednesday 22nd June 2016

When: 1.45 for 2pm start

Where: PIADGS rooms
56 Chapel Street, Cowes

Cost: Free

I have watched it and it is an interesting and fitting addition to our World War 1 commemorations.

Look forward to seeing you on June 22.
